Re: **September 28, 2016 Agenda Items**

In response to Agenda Item No. 2 :

***Resolution Requesting the Traffic Engineer Examine Parking Sight Lines at 71 Bridgham Street***

Please note:

An analysis was made of this driveway exit onto Bridgham Street. Due to the curvature of the street, the volume of vehicles using this exit and the observed speed, it is agreed that additional parking prohibition will assist vehicles exiting the driveway. Furthermore, a warning sign will be installed on Bridgham Street.

Work orders will be created to effect these changes.
