The Honorable Michael Solomon  
City Council President  
City Hall  
Providence, RI 02903

Dear Council President Solomon:

Please accept this letter as my resignation from the City Council's Claims & Pending Suits Committee. While I fully support the Committee and the efforts of my colleagues, the daunting time commitment of the other City Council duties weighed heavily on my decision.

Thank you for the opportunity to represent my neighborhood on this very important Committee. I look forward to serving the constituency in the same manner throughout my term.

Respectfully,

David Salvatore  
Councilman – Ward 14
