The Honorable City Council
Committee on Public Works
City Hall
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the installation of "No Parking Any Time" signs along both sides of Regent Avenue from Bergen Street to Harold Street.

Disposition: "No Parking Any Time" signs exist on the north side of Regent Avenue in this area. Since the street is 24 feet wide, we do not feel that additional signing is warranted. The problem may be enforcement of the existing regulation.

Very truly yours,

Frank A. Tibaldi
