Dear Councilwoman Young:

Thank you for writing to us concerning the resolution pending that would re-name the section of West Park Street from the point at Bath Street to the point of the dead end to "Selwyn Way".

We do not anticipate any problem with this name change however, if the proposed resolution is approved and building numbers need to be changed, we request notification prior to the change to avoid the problem of duplicate numbers on existing street name.. We trust that should you approve this resolution the residents on this portion of West Park Street will be notified of the changes.

I would like to express my appreciation for your notifying the Postal Service of the proposed resolutions for the City of Providence and I hope our input is of assistance to you and the City Council in making a decision.

Sincerely,

  
Julius E. Locklear
