Subject: [EXTERNAL] Stepping Down From PERA

Good Afternoon,

I hope this email finds you well. I have given this a lot of thought lately. With not being able to effectively prioritize my personal and professional lives, and taking on more in the coming months, I wanted to communicate that I have decided to step down from the PERA board effective immediately.

This has been an amazing experience all around, and one that I will definitely cherish. But I want PERA to have board members that can be fully and actively invested and I will not be able to provide that. Thank you for this opportunity and please let me know if there is anything I can help with during the exiting process.

I wish you all continued success.
