Providence, Rhode Island

RE: Resolution No. 448

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the erection of STOP signs along Fair Street at Hazel Street.

Disposition: Our survey of the above mentioned intersection does not provide us with the necessary warrants for the establishment of a STOP control. Traffic volumes are light and the accident history is excellent.

Very truly yours,

Frank A. Tibaldi  
Traffic Engineer
