To Whom It May Concern:

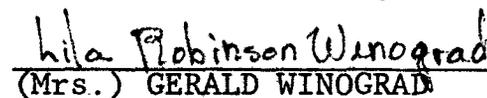

We respectfully request that a street light be placed on New England Telephone and Telegraph Company pole number 37, which is located between our homes located at 365 Cole Avenue (Mr. Morton J. Marks) and 357 Cole Avenue (Mrs. Gerald Winograd) in Providence.

We are the only ones who would be affected by the placing of a light on this pole. The area is extremely dark and dangerous to our safety and well being, as well as that of pedestrians, and has been an area in which there have been recent housebreaks. The home of Mr. Marks was burglarized on November 3, 1982. The proposed street light will serve a beneficial purpose by lighting this very dark area which is very much in need of this light.

Very truly yours,

MORTON J. MARKS
