March 21, 2003

The Honorable Terrence M. Hassett
City Council Office, Room 310
25 Dorrance Street
Providence, RI 02903

Dear Councilman Hassett,

I'm pleased to be sending you the 2003 WaterFire season schedule. We are seeking your help in arranging for permission from the City Council for the normal street closings to accommodate the many visitors who attend WaterFire. The streets are the same as last year that have been approved by Traffic and Engineering, the Parks Department, the Police Department, RIPTA and the City Law Department. We will review these closings with them again this year as well. The exact details with the precise sections of street and the times affected for each night are appended. In brief the streets are:

College Street – the block between Memorial Blvd and North Main Street
Steeple Street – the block between Canal Street and North Main Street
Canal Street – the short one-lane connector from Steeple Street to Washington Street
Exchange Street – the block between Memorial Boulevard and Stillman Street
Westminster Street (only on ballroom nights) – from Memorial Blvd to Weybosset
Weybosset Street (only on ballroom nights) – from Custom House to Westminster
The parking lane closure is on Washington Street.

We announced nine full WaterFire dates to the public this week, but we expect to be able to announce a few more dates a bit later in the season. To avoid returning to you for additional permissions we are seeking permission for all of the following dates (if we are unable to hold the event we will notify Traffic Engineering and the Police Department to cancel the approved street closing.): May 3rd, May 25th, June 6th, June 14th, June 28th, July 12^h, July 26th (not yet confirmed), August 4th (not yet confirmed), August 9th (not yet confirmed), August 23rd (not yet confirmed), September 6th, September 20th, October 4th and October 18th.

Thank you once again for all your help. Please call me with any questions.

Sincerely,

Barnaby Evans
