

# CITY OF PROVIDENCE RHODE ISLAND

The Credo of the Providence City Council is to be Industrious, to be Watchful and to Promote Peace. The bee, as a symbol of industry, is derived from the early colonial saying "Busy as a Bee"; the goose, as a symbol of watchfulness, is derived from the story of the goose whose cackling saved Rome; and the lamb, as a symbol of peace, is derived from the biblical use of the lamb as a symbol of peace.

The Invocation is given by **COUNCILWOMAN SHELLEY T. PETERSON.**

"Councilors, I appreciate the opportunity to speak on this last invocation of the year. As we embrace the holiday season and in this moment of reflection and celebration, let us forge ahead with open hearts, mindful of the interconnectedness that binds us together. May the spirit of peace and hope kindle during this holiday season endure the guiding light leading us towards a world where love triumphs and the warmth of unity dispels the chill of disport. In unity, let the beautiful lights adorning our city serve as beacons of hope, guiding us through the darkest nights toward a brighter future. May the vibrance of our collective good will brighten the path to compassion inspiring us to extend a helping hand to those in need and fostering a community where no one stands alone. As we enter our second year in service together, may we continue to bond over the diversity that enriches this city and may our experiences be a source of strength, understanding and acceptance into the fabric of our humanity. Let the differences that distinguish us be celebrated even when outside forces disagree. As we exchange gifts and gestures of kindness, let us remember that the most precious offerings are those of love, empathy and generosity. May the coming year be a chapter of healing for our city and for the world, a testament to our collective strength and resilience and the promise for a future where compassion and kindness always prevail. Lastly, I want to take a moment to express gratitude. Thank you to my constituents for the opportunity to serve. I have found this experience as a humbling reminder of how far my own family has come and the work I need to do to promote the equity that my community deserves. This first year of service was transformational for me and I am truly honored. To my fellow councilors, I admire your spirit and your commitment to your neighborhoods and to our city and though we may not always agree I value and respect each and every one of you. Thank you for all of your experiences and your service. May this new year bring us forward with open minds and open hearts to put forward the work that our constituents deserve. May we never lose sight of the fact that our stewardship is successful even if it seems like it isn't. May the good will we put forward help our communities to prosper as intended. Moments of prosperity at times may feel fleeting, but my hope for you councilors is that you relish in the good memories in the good people you have impacted and learn from the chances we get to make our city greater. With this invocation we embark on a journey of renewal and embracing the promise that the season brings. Our promise of peace, hope and shared destiny for our city. Thank you."

Resolution in Support of the Unionization Effort of the One Financial Plaza Starbucks Workers in Downtown Providence.

**WHEREAS**, The workers of the Starbucks Coffee located at One Financial Plaza have joined a movement of Starbucks shops across the nation seeking to unionize their workplace; and

**WHEREAS**, If they are successful they will be the first unionized Starbucks in Rhode Island; and

**WHEREAS**, On November 16 the Downtown Providence location joined more than 200 Starbucks shops in the “Red Cup Rebellion, a nationwide worker strike on Starbucks’ annual “Red Cup Day” which is often one of the busiest and most profitable promotions of the year for the company; and

**WHEREAS**, We support them in their efforts to secure a list of core demands which are just and reasonable; and

**WHEREAS**, The list includes protections and demands regarding the following:

1. Right to Organize
2. Strong Foundation of Rights
3. Health & Safety
4. Wages & Pay
5. No Reductions
6. High Quality Healthcare
7. Guaranteed & Consistent Schedules
8. Expanded LOA & PTO
9. Immediate Access to Withheld Benefits

**WHEREAS**, It is clear that as Starbucks boasts a 12% increase in revenue in the 2023 fiscal year resulting in a record \$36 billion, they do so at the expense of their own workers well-being; and

Resolution of the Providence City Council Supporting and Approving the Providence Public School District's Necessity of School Construction Application to the Rhode Island Department of Education (RIDE) for Stage II approval.

**WHEREAS**, The City Council of the City of Providence endorses and supports the issuance of general obligation bonds, notes and other evidence of indebtedness to finance the construction, renovation, improvement, alteration, repair, landscaping, furnishing and equipping of schools and school facilities throughout the city (the "Projects"); and

**WHEREAS**, In order to undertake and complete the Projects, there would be a need to issue bonds, notes or other evidences of indebtedness in an amount not to exceed \$400,000,000.

**NOW, THEREFORE, BE IT RESOLVED**, That the City of Providence hereby memorializes the General Assembly to enact legislation authorizing the City, with the approval of the qualified electors, to issue bonds, notes or other evidences of indebtedness in an amount not to exceed Four Hundred Million Dollars (\$400,000,000) for the above purposes, subject to approval of state housing aid at a reimbursement rate or state share ratio of not less than 75% at the time of issuance and provided that the authorization shall be reduced by the amount of certain grants received from State of Rhode Island ("State") bond proceeds, from the Rhode Island Department of Education or from the Rhode Island School Building Authority.

**BE IT FURTHER RESOLVED**, That the City Solicitor, working with Bond Counsel for the City of Providence, ensure that the appropriate legislation in substantially the form attached hereto is submitted in a timely manner to the Rhode Island General Assembly to ensure that all requirements are met to ensure consideration of this question by the electors.

**BE IT FURTHER RESOLVED**, That this resolution is an affirmative action of the City Council of the City of Providence toward the issuance of bonds, notes or other evidences of indebtedness in accordance with the purposes of the laws of the State. This resolution constitutes the City's declaration of official intent, pursuant to Treasury Regulation Section 1.150(2), to reimburse the City for certain capital expenditures for the Projects paid on or after the date which is sixty (60) days prior to the date of this resolution but prior to the issuance of the bonds or notes. This ensures that the Providence Public School District can submit the Necessity of School Construction application on time and qualify for the additional temporary State Aid, which begins to expire on June 30, 2024.

**BE IT FURTHER RESOLVED**, That as a condition to enter into contracts for school projects, the City of Providence and the Providence Public School District shall enter into a Memorandum of Understanding (MOU) to ensure both entities share the projected annual utility savings of the new energy efficient facilities. This MOU shall require the School District to return utility savings up to the value of the City's net debt service on the \$400,000,000 General Obligation Bonds each fiscal year.
