

RESOLUTION OF THE CITY COUNCIL

No. 104

Approved March 4, 2002

WHEREAS, Petitioner, Armory Revival Company, has petitioned the City of Providence for permission to realign the curbing at the intersection of North Main Street and Thomas Streets; and

WHEREAS, said petition is sought in connection with significant rehabilitation of the Two Thomas Street site; and

WHEREAS, said petition is sought into order to alleviate congestion and promote the safe flow of vehicular and pedestrian traffic,

NOW, THEREFORE, BE IT RESOLVED, that Petitioner is granted permission to realign the curbing at the intersection of North Main and Thomas Streets. Said grant is specifically conditioned upon the following:

1. For such grant and other good and valuable consideration, Petitioner shall indemnify and hold harmless the City of Providence its agents, officers, servants, and employees, from any and all claims, demands, suits and compromise, both for damage to property and damages to persons, of whatever kind which may result from the realignment of said curbing.

2. Petitioner shall do all breakout and rehabilitation of the public ways in conformity with the proposed rules and regulations of the Department of Public Works and such breakout and rehabilitation shall be in a good and workmanlike manner and shall be to the approval of the Director of that department.

3. Petitioner shall provide an insurance policy in an amount of not less than One Hundred Thousand Dollars (\$100,000.00) and said policy shall name the City of Providence, its agents, servants, officers and employees, as additional-named insureds and shall provide coverage during realignment of the realignment.

4. Petitioner recognizes that North Main Street is a public highway owned and maintained by the State of Rhode Island and that it may be necessary to obtain further permitting from the State of Rhode Island. The grant herein contained does not in any
