### Report to the City Council

The Honorable City Council  
City of Providence  
City Hall  
Providence, R. I.

Gentlemen:

The Providence Redevelopment Agency in accordance with the provisions of Paragraph 11 of Chapter 1419 of the Ordinances of the City of Providence, approved August 11, 1961, and Title 45, Chapter 32, Section 5 of the General Laws of Rhode Island, 1956, hereby reports concerning the proposed sale of real property within the Central-Classical Project No. R. I. R-2.

This Agency proposes to sell to Tremarco Corporation, a subsidiary of the Gulf Corporation, a parcel of land, comprising a total of 227 square feet, for a total sale price of \$450.00. Said parcel of land abuts the adjoining property presently owned by the prospective purchaser.

The site to be sold to Tremarco Corporation was formerly owned by them, and was condemned for the widening of Bridgham Street. The Traffic Engineering Department made changes to the traffic plan to allow ingress and egress routes to the gas station which is remaining. As a result of these changes, this small strip of land remains, and since the strip of land has no value to anyone else, the Agency offered it to the former owner, who has expressed a desire to purchase it.

Respectfully submitted,

James F. Reynolds  
Executive Director
