Distinguido señor:

Mediante la presente estamos extendiéndole la mas cordial felicitación por haber sido electo para la posición que ostenta en estos momentos, y a la vez aprovechamos esta ocasión para solicitarle a manera de donación **Una Grúa y un Trailer**, los cuales se pondrán al servicio de nuestro Municipio, ya que cuando llueve se atascan muchos desechos, incluyendo árboles grandes, ocasionando desbordes en nuestros Ríos, por lo que tenemos suma urgencia de adquirirlos.-

Confianto en su buena disposición de servir a nuestro Municipio, le saluda,

Dear Council President,

Congratulations on your recent election as council president. I am sure you will do the residents of Providence well. I write to you today to ask for your help. In our city we have a problem with flooding. The flooding occurs because the main river in the center of the city gets jammed with debris every time it rains, so we are in desperate need of a crane, and trailer. The crane will play an important role in getting the debris out of the river, and with the trailer we will be able to transport it to the landfill. I appreciate your time and consideration.

Regards,

Amado De La Cruz
