

# RESOLUTION OF THE CITY COUNCIL

No. 589

Approved November 27, 1976

RESOLVED, that the Traffic Engineer is requested to cause a Motor Vehicle Traffic Survey to be conducted of Pleasant Valley Parkway, from Academy Avenue, along the Southerly Side to Rosebank Street, and along the Northerly Side of said Parkway from Moorland Avenue to Rosebank Street, for the purpose of determining whether or not a One-Way Traffic Pattern should be invoked, and

BE IT FURTHER RESOLVED, that the Traffic Engineer be further requested to report back to the Committee on Public Works the result of such survey and upon receipt of the same by the said Committee, the results of the survey be submitted to a Public Hearing, by legal newspaper notice, and further personal mailed notice to all owners of abutting property, situated along the said portion of Pleasant Valley Parkway, be effected.

Mr. Vincent Vespia  
City Clerk  
City Hall  
Providence, R. I.

Dear Mr. Vespia:

In response to your communication dated November 23, with regard to the traffic pattern on Pleasant Valley Parkway I am pleased to inform you that the Board of Park Commissioners has voted to approve Councilman Fagnoli's proposal that traffic on Pleasant Valley Parkway from Academy Avenue along the southerly side to Rosebank Street be one way, south and east bound and along the northerly side of said Parkway from Academy Ave. to Rosebank Street be one way in the opposite direction.

Sincerely yours,

James W. Diamond,  
Superintendent of Parks,  
Secretary to Park Commission
