RE: Resolution to Dedicate a Portion of Petteys Avenue  
Within the Hartford Avenue Renewal Project

Dear Mrs. Mendonca:

Transmitted herewith are the following:

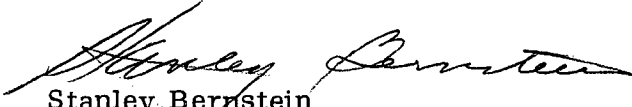

- a. Four (4) copies of a "Resolution to the City Council" dedicating a portion of Petteys Avenue.
- b. Four (4) copies of a "Resolution to the City Council" concerning the grade of a portion of Petteys Avenue.
- c. A map and four (4) copies prepared by the Engineering Office of the Department of Public Works depicting the street to be dedicated.

It is respectfully requested that this matter be placed on the Docket for City Council consideration at its next meeting tentatively scheduled for March 20, 1986.

It is essential to the development of this project that these procedures for abandonment be instituted at this time since the Providence Redevelopment Agency intends to merge the abutting lots and offer the entire parcel for development.

Your cooperation in expediting this matter will be greatly appreciated.

Sincerely yours,

  
Stanley Bernstein  
Executive Director
