To Council President Matos and Honorable Members of the Providence City Council,

I am resigning my position as President and Member of PERA as of July 1, 2019.

I have worked hard for the past year and a half with my fellow Members to set up this newly reconstituted entity. This has been a major commitment, and I am proud of our accomplishments to date.

Regretfully, I am no longer able to continue to dedicate the time this important Commission deserves.

I am grateful to have had the opportunity to serve the City of Providence.

Best,

Alison Eichler
