**SUBJECT:** Resolution Requesting the Traffic Engineer to cause the installation of "No Parking Handicap" Signs in front of 47 Springfield Street.

(See submission dated June 09, 2010)

The DPW - Traffic Engineering Division has investigated the subject request have the following to offer.

1. Currently there is a "No Parking 8AM to 4PM, Schooldays" parking restriction in front of the complaints' house. Traffic Enforcement has been notified to give this parking restriction their attention.
2. The Complaints' have the use of a driveway where their vehicle is consistently parked upon all site visits. Measurements reveal the egress is a shorter distance to park in their driveway instead of on the street in front of their home.

Based on the above circumstances, a Handicap parking sign is not justified nor warranted.
