GENERAL SECRET SERVICE

WE ARE ABSOLUTELY RELIABLE

NO DIVORCE CASES — **NO "LIQUOR SPOTTING"**

This is not the only Honest Detective Agency in the country, but one that does not commit Crime to obtain results; hence we accept nothing but strictly legitimate cases.

Our Specialty is ***Preventing Strikes*** instead of ***Creating*** them

This is a distinction and a difference which those who have had that experience can easily comprehend. Interests of clients uppermost in our minds--always.

Ask anybody (EXCEPT CROOKS) about us — We never travel with a brass band

Our Motto is: "There's No Such Word as Fail"

A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

Pawtucket
A One-Newspaper City

The Pawtucket Times is located in a "one-newspaper city" and it has made good to the interests of its home people and those residing in the surrounding towns which make up its trade zone, to the extent that it has gained a paid for circulation exceeding 23,000 copies every evening.

Pawtucket and the adjoining city of Central Falls have a population of about 80,000. It is easy to understand therefore, how thoroughly the Times covers its own city and the adjacent towns. It is liberally patronized by Providence merchants because it furnishes the only direct method of reaching a big army of out of town and ready purchasers. There is neither waste nor duplication in its circulation, and every copy possesses a recognized purchasing power efficiency.

The Providence Directory

Is one of the Oldest Established Institutions of this City

Since 1824 its quiet influence has been persistently bringing together the buyer and the seller, has acquainted the stranger in the town with its resources and has made it easy for him to find friends and acquaintances. In directory libraries all over the country its pages speak of the advantages and enterprise of the city. Its influence though persistent, is so quiet that many do not realize the wonderful work it is doing nor the amount of valuable information it contains. Will you not get more acquainted with this index of your city's greatness by carefully looking through from cover to cover. Look up your Lodge, your Church, your City Government and see that the officers are correctly listed. By searching out the possibilities of your directory you will discover more ways in which it may be of service to you than you have ever realized.

PROVIDENCE STREET DIRECTORY

COPYRIGHT, 1917, SAMPSON & MURDOCK CO., Providence, R. I.

Giving the location of each street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list, the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Bridgham Street from 1191, showing that 1129 Westminster Street would come about half-way between Knight and Bridgham Streets

PROVIDENCE STREET DIRECTORY

COPYRIGHT, 1917, SAMPSON & MURDOCK CO., PROVIDENCE, R. I.

Giving the location of each street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list, the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No 1139 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Bridgham Street from 1191, showing that 1139 Westminster Street would come about half-way between Knight and Bridgham Streets
