Re: Resolution of Councilman Payne  
December 3, 1964

Dear Sir:

Please be advised that we have a considerable file on building located at 39 Puritan Street, on Assessor's Plat 43, Lot 258.

We have been aware of this condition since 1962, and from time to time little repairs have been made to the building but not enough to satisfy our requirements.

We have had some difficulty in issuing a warrant against the owner in this matter; however, we have learned that Julius Ingram is in charge of the property and have requested the City Solicitor to issue a warrant and complaint against him.

Very truly yours,

*Vincent DiMase*

*Mr. Wheeler, by request*

AUTHORIZING THE CITY OF PROVIDENCE TO ISSUE BONDS IN THE  
SUM OF \$13,000,000 FOR THE CONSTRUCTION OF MAJOR  
IMPROVEMENTS TO THE PROVIDENCE WATER SUPPLY SYSTEM

SECTION 1. The city of Providence is hereby authorized and empowered, in addition to and not in substitution for authority previously granted, to issue, in addition to the bonds heretofore issued and now outstanding, under its corporate name and seal, serial bonds in any form which the city council of said city has heretofore approved or may approve, in an amount not exceeding thirteen million (\$13,000,000) dollars. Said bonds shall be of any denomination not exceeding twenty thousand (\$20,000) dollars each, the principal thereof and the interest thereon shall be payable in any coin or currency of the United States of America, which at the time of payment is legal tender for public and private debts, and the debts incurred by said bonds shall be obligatory on said city in the same manner and to the same extent as other debts lawfully contracted by said city. The dates of maturity of said bonds shall, in no case, be more than thirty (30) years after date of issue; provided, however, that the first installment of the principal of the bonds issued under the provisions of this act shall mature on such date as said city council shall determine, but not later than five (5) years after the date of issuance.

SEC. 2. Said bonds shall be signed by the city treasurer and countersigned by the mayor of the city of Providence and shall be issued and sold at such times and in such amount as the city council of said city shall determine; provided, however, that the premiums,

if any, arising from the sale of said bonds shall be applied to the payment of the principal of said bonds in the order of their maturity. The proceeds arising from the sale of the bonds authorized by this act shall be delivered to the city treasurer and such proceeds, except as hereinbefore provided in respect to the premiums arising from the sale thereof, shall be expended for the construction of major improvements to the Providence water supply system, including a new tunnel and aqueduct, additional filters and incidental construction necessary in connection therewith. No purchaser of any of said bonds, however, shall be in any way responsible for the proper application of the proceeds derived from the sale thereof. The countersignature of the mayor may be by facsimile signature.

SEC. 3. The city of Providence shall annually appropriate a sum sufficient to pay the interest upon the bonds issued and outstanding under the authority of this act and also to pay the principal of the bonds maturing in any such year until said bonds are paid in full. All obligations of said city which are incurred under authority of this act shall be excepted from the operation of section 45-12-2 of the General Laws of 1956.

SEC. 4. The voters of the city of Providence, having authorized the issuance of bonds in the said sum of thirteen million (\$13,000,000) dollars for the construction of major improvements to the Providence water supply system, including a new tunnel and aqueduct, additional filters and incidental construction necessary in connection therewith, at the general election held November 3, 1964, any further requirement for approval of this act by the voters, whether by charter or by special law, is hereby waived and the bonds authorized by this act shall therefore be exempted from the provisions of Section 135 of Chapter 832 of the Public Laws, 1940, as amended by Chapter 1266, Public Laws of 1943, and from any other requirement for approval by the voters.

SEC. 5. This act shall take effect upon its passage.
