Subject: rez for docket

request that the traffic engineer explore methods of reducing wrong-way driving on the block of trenton street that runs from gano street to ives street.

request for the installation of "wrong way" signs in the middle of the block of trenton street that runs from gano street to ives street.

request for the installation of "wrong way" signs and "stop" signs, facing east at the intersection of ives street and trenton street, as many vehicles exit 195, drive the wrong way on trenton, and pose an added hazard by failing to stop or yield at said intersection.

thanks
