**SUBJECT:** Resolution requesting the Traffic Engineer to expedite the installation of temporary signs on and around East Street and Wickenden Street, as appropriate, directing pedestrians seeking to use the now closed 195 pedestrian bridge towards other means of access to India Point Park.

---

The office of Traffic Engineering has investigated the subject request and has referred this matter to the State Traffic Engineering Division since the closure of the bridge is due to their construction. They took this matter under advisement and will provide a response once they have their consultants evaluate the situation. I will provide a status once I receive a response from the state.
