Rubber Stamps

You may be remembered
a hundred years from now

It seems a long time in this era of change but it is a fact that the influence of our forefathers is often carried on for generations.

Especially in business and financial affairs is the record of the past liable to be of vast importance to the present.

The silent testimony of old directories is often accepted by courts as valuable evidence and too much care cannot be taken by business men to insure that all such records are accurate and complete.

Unlike most other mediums for advertising, the Directory is kept on file in many law and public libraries for years after its immediate usefulness as an address book has disappeared and it becomes a permanent record of the firms and individuals listed therein.

A very small sum insures adequate representation from year to year and such record may prove of great service at some future date.

A Lasting Advertisement

Insuring Maximum Coverage at Minimum Cost Is Now Available

City Directory Advertising lives as long as the book is current. It is readily at hand and can, through cross indexing of proper representation, be made easy to find and fully informative. Any business-man, desirous of effectively registering a service or produce, in such a manner as will form a permanent advertisement, owes it to himself and his business to be thoroughly informed on City Directory Advertising.

Your City Directory is not alone a local medium. By a system of distribution through nearly 500 City Directory Libraries, your advertisement takes on a national aspect. Send for descriptive Library Folder and Privilege Card.

An Old Colony Construction Mortgage

The Key to Home Ownership

OLD COLONY 12 Point MORTGAGE PLAN

Old Colony has financed the building of thousands of Rhode Island houses. Just note the details of its new, advanced 12-Point Mortgage Plan:

One Old Colony mortgage **finances the house economically, both during and after construction. Old Colony pays the charges for title search and recording fees. Old Colony's preliminary counsel and its inspections during construction can help you to get what you pay for — a home soundly built as well as properly planned.**

Your commitments **may be made on a vacant site and the loan closed before building starts. But, note carefully . . . interest begins *only* when advances are made and only on the sums advanced for labor or materials . . . not on the entire amount or when the loan is closed. Besides . . . there are three reductions of ½% each at regular intervals during the term of the mortgage. These features save you real money!**

Your first payment **may be deferred until you move in, if this is within six months from the date of the mortgage. Here again, if you let Old Colony consult with you at the very start, a schedule of payments that your budget can easily carry without strain can usually be worked out.**

After that, **one regular monthly payment like rent, covers steady, direct reduction of principal, as well as current interest figured only on the lessening balance due.**

All this means home satisfaction and independence . . . for *you*. See Old Colony . . . first!

"Productive Borrowing"

. . . means borrowing to produce results, expand your business, increase your profits

When a concern borrows money to help finance any activity which is good for the business . . . has a favorable effect on profits, either directly or indirectly . . . this is what the Hospital National Bank calls "Productive Borrowing." And, it represents the type of loan we are always ready to make to any sound business — retail, wholesale, or manufacturing.

If your concern can put additional funds to good use in operating and expanding its business, talk it over with us. This Bank is prepared to work out a flexible financing program designed tc fit your particular needs — to make your borrowing productive

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

DO YOUR EMPLOYERS FURNISH YOU WITH THE LATEST EDITION OF THE CITY DIRECTORY?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

If You Are in a

BUSINESS FOG

In the Aftermath of War

★

Let the City Directory help guide you to reorientation. It is the natural key to things as they are after the great upheaval. A recent Directory will provide the basis by which business can obtain a new grip on markets and a new appraisal of prospects. Pre-war guides of nearly all kinds are deader than a dodo today. Business now enters a new era of great possibilities. The City Directory hews to the line without propaganda, and new editions of this service reveal the great physical changes that have come over cities and communities during the past five years.

If You Are in a **BUSINESS FOG**
In the Aftermath of War

Let the City Directory help guide you to reorientation. It is the natural key to things as they are after the great upheaval. A recent Directory will provide the basis by which business can obtain a new grip on markets and a new appraisal of prospects. Pre-war guides of nearly all kinds are deader than a dodo today. Business now enters a new era of great possibilities. The City Directory hews to the line without propaganda, and new editions of this service reveal the great physical changes that have come over cities and communities during the past five years.

BUSINESS MEN NEED SUCH INFORMATION IN SUCH TIMES!

Out of Sight! • Out of Mind! • Out of Business!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

The CITY DIRECTORY has a Definite Place in the Business Man's POST-WAR PLANS

The average market is nothing like it was at the outbreak of the war. The extent of change has been tremendous. Use the new City Directory to reanalyze the city—to see what it has gained and lost—to check the movements and trends—to secure a record of the vast army of removals—to organize for merchandising new products and services.

★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

★

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

★ The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . EXTENDED ★

TERMITES

Are Prevalent Throughout Rhode Island

An unsuspected and concealed destruction of wooden timbers in the understructures of a large number of houses and other buildings is taking place. Large expense for future repairs may be avoided by finding the infestations promptly and taking steps to apply **TERMINIX BONDED INSULATION** to stop the attacks. Over 100 Providence and Rhode Island structures are now termite-protected with Terminix.
