Re: **January 23, 2019 Public Works Subcommittee Agenda Items**

**Item No. 12** - Resolution Requesting the Traffic Engineer to cause the installation of "Four Way" Stop Signs at Union Avenue and Terrace Avenue.

**Response:** We have referred this request to the City of Cranston, as this intersection is within the City of Cranston. We have not received an answer on the all-way stop condition as of yet from the City of Cranston. Providence Traffic Engineering recommends installing an all-way stop condition based on review of the traffic data we collected at the intersection.
