Ms Rae Congdon  
Executive Director  
Conflict of Interest Commission  
10 Dorrance Street  
Providence, Rhode Island

Dear Ms Congdon:

I am requesting an advisory opinion and section 8K protection concerning the City of Providence's application for a Federal Urban Development Action Grant for Hope Brewing Company. I am associated with Hope Brewing Company as a founding commonstockholder and officer. This is a startup venture. I am also the City Council Internal Auditor for the City of Providence.

The Internal Auditor position is appointed by the City Council. The position requires a CPA with five years related experience. Job duties revolve around financial analysis of the budget, monthly reports to the Providence Review Commission and specific projects for Councilmembers. The office has one employee and relies on support services from the other City Council offices and the audited departments. The office has no approval status over administration decisions.

I trust this fulfills the requirements of a filing affidavit.

I am available to answer any questions the Commission may have. I request your earliest consideration in this matter as the matter is scheduled to be presented to the City Council on February 21. Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Stephen Woerner".
