The Honorable John Lombardi
President
Providence City Council
Providence City Hall
Providence, RI 02903

Dear Council President Lombardi:

I am writing in regard to the Providence City Council's resolution of May 3 establishing a Mosquito Abatement District for Providence. I understand that you and I will appoint the third member of the committee, and would like to recommend Luke Driver of the Department of Administration to assume the position.

Mr. Driver's experience relating to a wide variety of environmental issues is well known and respected. He has served as the City's liaison to Region One of the Environmental Protection Agency, as well as the state Department of Environmental Management, for the past three years. He was also instrumentally involved in redesigning and empowering the Providence Department of Public Works' environmental control and enforcement process, a project that has won prestigious recognition from the EPA.

My thanks to you for your consideration of his nomination. I look forward to hearing from you.

Sincerely,

VINCENT A. CIANCI, JR.
