RE: Parcel 3-20, A.P. 36, Lots 84 and 85  
West Broadway Renewal Project NDP A2-1 Year III

Dear Mrs. Mendonca:

Transmitted herewith is a resolution of the City Council requesting the Board of Contract and Supply to authorize the purchase of Parcel 3-20 from the Providence Redevelopment Agency for the sum of \$1.00 each.

Said parcel is located within the West Broadway Renewal Project and was proposed for acquisition by the City for the Providence School Department. This parcel is to be used in connection with the Asa Messer School. Attached is a letter from the Deputy Superintendent, Joseph Almagno, requesting this transfer.

We would appreciate it if the aforesaid resolution is placed on the docket for the next City Council meeting.

Very truly yours,

RE: PLAT #36 LOTS #84 and 85  
PROVIDENCE REDEVELOPMENT AGENCY  
PARCEL 3-20, WEST BROADWAY PROJECT

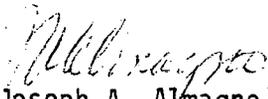

Dear Mr. Floriani:

Pursuant to our telephone conversation of April 21, 1983, please be advised of the following:

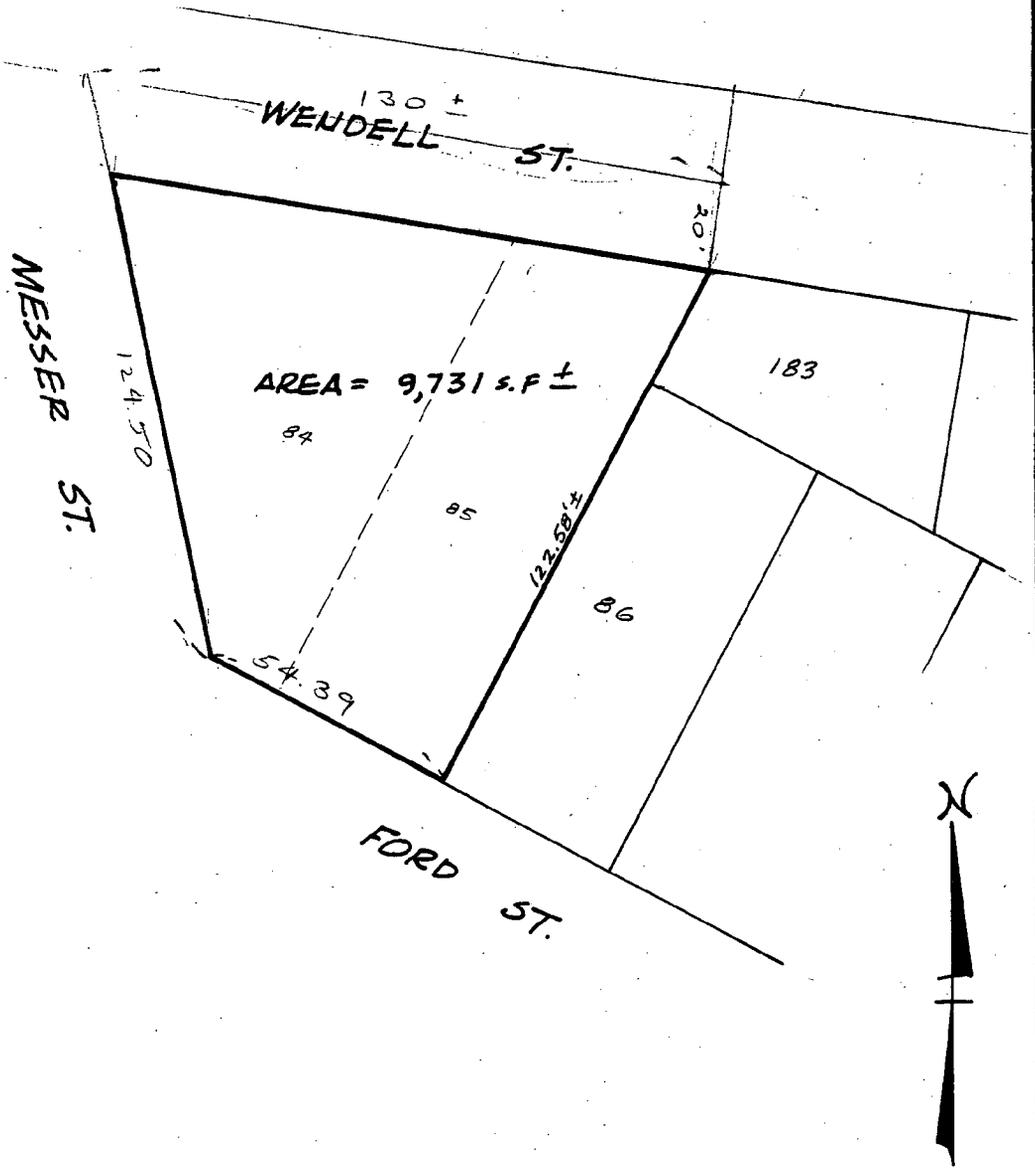

1. The Providence School Department is presently using the above-named parcels of land for playground purposes for the Asa Messer School.
2. The Providence School Department is presently unable to purchase said parcels of land from the Providence Redevelopment Agency due to fiscal constraints.
3. The Providence School Department would greatly appreciate the sale price for said parcels of land reduced to \$1.00.

This action, if acceptable, would enable both parties to finally establish proper ownership of said parcels of land and resolve the common problems which presently exist. As always, your cooperation in this matter is greatly appreciated.

Sincerely,

  
Joseph A. Almagno  
Deputy Superintendent
