# PETITION

We, the residents of Mount Pleasant, would like to put a formal complaint through to the Providence School Board, Mount Pleasant High School Administration, Providence City Council and the Providence Police Department concerning some of the students of Mount Pleasant High School and other area schools. Specifically, we have observed students

- \* Loitering in our neighborhood
- \* Trespassing and damaging our properties
- \* Disturbing the Peace
- \* Littering
- \* Using and selling drugs

Many of these activities are being done during school hours when students should be in class. The Mount Pleasant High School Administration should have more supervision of their students. In addition, more police patrols are necessary to ensure that the neighborhood is protected from illegal and illicit behavior from these minors.
