

RESOLUTION OF THE CITY COUNCIL

No. 33

Approved January 23, 1973

WHEREAS, the State Utilities Administrator has reported that there is an impending shortage of gas fuel which may result in requesting consumers to reduce their normal usage, and

WHEREAS, this reported shortage has caused the President of the Providence Gas Company to alert its consumers, by mail, that they may be requested to lower their thermostats by ten degrees and undertake additional conservation actions, and

WHEREAS, this reported shortage is causing great concern to customers of the Providence Gas Company,

NOW, THEREFORE, BE IT RESOLVED, that the Members of Congress from the State of Rhode Island are hereby urgently requested to cause an investigation to be undertaken as to the reason for the projected shortage of gas as a fuel and to further report their findings to the City Council.
