Dear Councilman Aponte:

I met with the members of the Southside Neighborhood Association at their last meeting on Monday April 18, 2005. The members expressed their concern about the traffic on Rugby Street from Thurbers Street to Wyatt Street. My office has reviewed the traffic situation in this location and would like to recommend making Wyatt Street one way easterly from Rugby Street to Cahill Street. If you could submit this recommendation to City Council for review, it would be greatly appreciated.

Thank you for your time in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Bernard Lebby".
