Dear Councilman Payne:

Under date of July 19, 1968 we received a memorandum from the Department of the City Clerk in which was enclosed a photo copy of a petition entitled, "To abandon as a public highway a certain triangular portion of Belknap Street from a point approximately one hundred seventy-six (176) feet southeast of Carpenter Street to its southeasterly termination".

The petition was submitted by the Rex Realty, Inc. According to our records, the depreciated value of our facilities in the triangular section to be abandoned amounts to \$205.30. We are lodging a bill against the Rex Realty, Inc. in the amount of \$205.30 with the City Collector's Office and request your consideration in withholding final action until compensation is received by the city for the value of our pipes in the section being considered for abandonment.

SUBJECT: Referral No. 1687 - ABANDONMENT OF PORTION OF BELKNAP STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, August 27, 1968.

This referral is a request for the abandonment of a small triangular piece of land located at the dead end of Belknap Street on Assessor's Plat 29.

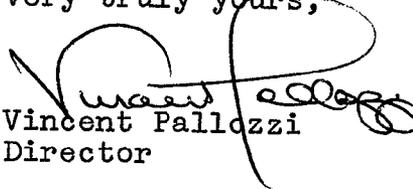

On a photographic and inspection tour it was determined that the portion of Belknap Street which is proposed for abandonment is presently blocked off and unuseable as a public highway. The area to the north of the land in question is residential and in poor to fair condition. The area to the south is commercial and industrial and in good condition.

This petition is in the Federal Hill East Project area for which we expect approval of the Survey and Planning Application at an early date.

The Commission

VOTED: To recommend that the abandonment be disallowed pending the development of project plans for the area.

SUBJECT: Referral No. 1693 - ABANDONMENT OF BROOKFIELD STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, September 10, 1968.

This referral is a request for the abandonment as a public highway on Assessor's Plat 96 Brookfield Street from Riverdale Street northwesterly to the abutting park property. (R.I. Metropolitan Industrial Park)

On an inspection and photographic survey it was determined that the portion of Brookfield Street proposed for abandonment is uncurbed and is a dead end. The dead end is a fenced portion guarding a steep 50-foot drop to the land of the State Metropolitan Industrial Park. Lots 20 and 22 are steep banks and are not useable in their present condition. The surrounding neighborhood is residential and in good condition.

As this petition is presented by both owners of adjacent useable property, and since there are no foreseeable plans for the use of the property by this Department,

The Commission

VOTED: To offer no objection to the granting of this petition provided that the owner of Lot 20 is in concurrence with the proposed abandonment.

Very truly yours,
