The Honorable Members

City Hall
Providence, RI

Dear Honorable Members:

To work closely in the field of Cable Television, I am appointing Mr. Richard T. Michaels of 78 Andem Street, Providence to the Cable TV Area Advisory Committee. Mr. Michaels will join with the other members of this Committee in offering the company and the administrators from the Public Utilities Commission the necessary input that will provide access to the programming, the knowledge of the variety of educational and community needs that can be addressed by cable television, and to oversee and review the operation of this new medium for our society.

Mr. Michaels, an Educational Technologies Administrator with the Providence School Department will complete the unexpired term of Mr. Manuel Jiminez.

I deeply appreciate the willingness of Mr. Michaels to serve in this critically important role in cable television, and I have every confidence that the needs of our community in public broadcasting will be identified and provided by the new cable television companies.

Respectfully submitted,

Vincent A. Cianci, Jr.
