Dear Julian,

I am writing to formally resign from the Providence Sustainability Commission. I will let the Environment Council of RI (ECRI) know of my resignation as well, as I was originally nominated as the ECRI representative on the Commission.

You can consider this resignation effective immediately. It has been an honor and a pleasure to serve on the Sustainability Commission for the past decade! I look forward to continuing to participate as a member of the public and community partner in environmental justice and sustainability.

Sincerely,

Amelia Rose
