

THE CITY OF PROVIDENCE
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

RESOLUTION OF THE CITY COUNCIL

No. 377

Approved April 17, 1953

Resolved,

That the City Treasurer, acting under the direction of the Committee on Finance, be and he hereby is authorized and directed to borrow from time to time such sums as may be necessary, not exceeding three million five hundred thousand (\$3,500,000) Dollars, in accordance with the provisions of Chapter 3049²² of the Public Laws, passed by the General Assembly at its January Session, A.D. 1953, entitled "An Act Authorizing the City of Providence to Issue Bonds in a sum Not Exceeding Three Million Five Hundred Thousand (\$3,500,000) Dollars for the Repair, Reconstruction and Replacement of the Sewage Treatment Plant of the City of Providence," and to issue the City's notes therefor, bearing interest at a rate not exceeding three and one-half ($3\frac{1}{2}$) percent per annum, signed by him and countersigned by the Mayor and Chairman of the Committee on Finance, and to renew any such notes from time to time as the same become due. The money thus obtained is hereby appropriated for and shall be exclusively used and expended for the purposes of the repair, reconstruction and replacement of the Sewage Treatment Plant of the City of Providence.

RESOLUTION OF THE CITY COUNCIL

No. 378

Approved April 17, 1953

Whereas, the City of Providence has again been projected into the national safety limelight by winning first prize in its population group in the National Fire Safety Contest, and

Whereas, this outstanding award based on fire loss record, educational activities, improvement in fire department plant and fire alarm equipment and fire fighting methods; resulted from the co-operative efforts of the Providence Chamber of Commerce who sponsored the contest in this city and our able fire department which spearheaded the educational campaign in our schools and junior civic groups to spread the message of safety through fire prevention activities, and

Whereas, our recently completed program of relocation of fire stations, together with our equipment replacement program has helped immeasurably to gain for Providence the enviable position it occupies today in the realm of fire fighting prominence, and

Whereas, the Fire Department's record of thousands of inspections of residences, theaters, churches, schools, hospitals and manufacturing plants, its educational program consisting of hundreds of lectures to thousands of people and its record for investigating almost 1,000 fires has helped immensely to produce the results needed to place Providence in the forefront in the field of Fire Prevention,

NOW THEREFORE BE IT RESOLVED that this City Council congratulates Chief Lewis D. Marshall and his able department for the signal honors this city enjoys because of their fine work and extends its gratitude to the Providence Chamber of Commerce and all the public spirited citizens--especially the junior organizations whose co-operation and enthusiasm, made it possible for the City of Providence to be acclaimed the

RESOLUTION OF THE CITY COUNCIL

No. 380

Approved April 17, 1953

Resolved,

That

the Mayor of the City of Providence
be and he hereby is authorized on behalf of the City of Providence
to enter into an agreement with the City of Cranston whereunder
each city will agree to take domestic sewage into its sewer system
from houses located near the boundary line of said cities wherever
the Director of Public Works of the City of Providence and the
Commissioner of Public Works of the City of Cranston shall agree
that it is impractical to connect said houses to the sewer system of
the city in which said houses are located; said agreement to be in
form approved by the City Solicitor.

RESOLUTION
OF THE
CITY COUNCIL

AUTHORIZING THE MAYOR TO
ENTER INTO AN AGREEMENT
WITH THE CITY OF CRANSTON
RE SEWER DISPOSAL.

Mr. W. W. W. W.
Very respectfully

A G R E E M E N T

THIS AGREEMENT made and entered into this 20th day of APRIL, A. D. 1953, by and between the CITY OF PROVIDENCE, a municipal corporation in the County of Providence and State of Rhode Island, created by the General Assembly of said State, and the CITY OF CRANSTON, a municipal corporation in the same County and State, for the disposition of sewage of the City of Providence by means of the sewer system of the City of Cranston, and for the disposition of sewage of the City of Cranston by means of the sewer system of the City of Providence the Mayor of the City of Providence having been authorized to enter into this Agreement by resolution of the City Council numbered 380, approved April 17, A. D. 1953, and the Mayor of the CITY OF CRANSTON having been authorized to enter into this agreement by resolution numbered 81, approved March 24, A. D. 1953.

W I T N E S S E T H:

That the parties hereto, in consideration of the mutual covenants and agreements herein contained, mutually covenant with each other as follows:

FIRST: The City of Providence, for itself and its successors, hereby covenants and agrees with the City of Cranston and its successors, that it will take and admit domestic sewage into its sewer system from houses located in the City of Cranston near the boundary line of said cities, wherever the Director of Public Works of the City of Providence and the Commissioner of Public Works of the City of Cranston shall agree that it is impractical to connect said houses to the City of Cranston sewer system, and the City of Providence at its own expense will dispose of such sewage by means of its sewage disposal plant at or near Fields Point in said city, or otherwise.

SECOND: The City of Cranston, for itself and its successors, hereby covenants and agrees with the City of Providence and its successors, that it will take and admit domestic sewage into its sewer system from houses located in the City of Providence near the boundary line of said cities, wherever the Director of Public Works of the City of Providence and the Commissioner of Public Works of the City of Cranston shall agree that it is impractical to connect said houses to the City of Providence sewer system, and the City of Cranston at its own expense will dispose of such sewage in the same manner and by the same means as provided for the disposal of sewage in the City of Cranston.

THIRD: The right to connect to either sewer system, under the terms of this agreement, shall be determined by the Director of Public Works of the City of Providence and the Commissioner of Public Works of the City of Cranston, and to the end that the two Cities shall share the burdens and benefits of this agreement as equally as possible. However, all connections to either sewer system shall be in accordance with Ordinances, Resolutions, Rules and Regulations of both cities.

FOURTH: The right to discharge sewage into either sewer system shall be subject to and in conformity with all the laws of the State of Rhode Island and all General Laws, Ordinances, Resolutions, Rules and Regulations of the city receiving the sewage, now or hereafter in force during the continuance of this agreement, and neither city shall be under obligation to receive sewage into its system which is prohibited by any General Law, Ordinance, Resolution, Rule or Regulation, and no live steam, oil, gasoline or other explosive or other matter injurious to the sewers or sewer system of either city shall be allowed by either city to be conducted or discharged in the sewers or sewer system of the other.

This agreement may be terminated at any time by concurring action of the City Councils of the City of Providence

and the City of Cranston but it is understood and agreed that said termination shall not affect any sewer connections previously authorized and made under the terms of this agreement.

IN WITNESS WHEREOF the said City of Providence has caused these presents to be executed and its municipal seal to be hereunto affixed by its Mayor, thereunto duly authorized, and the said City of Cranston has caused these presents to be executed and its municipal seal to be hereunto affixed by its Mayor, thereunto duly authorized, the day and year first herein written.

RESOLUTION OF THE CITY COUNCIL

No. ~~338~~ 381

Approved April 17, 1953

Resolved,

That in accordance with the provisions of Chapter 163 of the Ordinances approved October 21, 1948, entitled, "An Ordinance Establishing a Traffic Engineering Department, and Providing for the Appointment of a Traffic Engineer", the City Council of the City of Providence hereby approves regulations relative to the establishment of one-way streets, so that vehicles shall pass in one direction on the following streets as specified in said regulations, viz:

1. WASHINGTON STREET, to be a one-way street in a southwesterly direction from Exchange Place Mall to Empire Street.
2. MATHEWSON STREET (reversing the direction of the existing one-way flow) to be a one-way street in a northwesterly direction from Weybosset Street to Fountain Street.
3. UNION STREET (changing the direction of the flow from a northwesterly direction) to be a one-way street in a southeasterly direction from Fountain Street to Weybosset Street.
4. WEST APPROACH, UNION STATION, to be one-way in a southeasterly direction from Exchange Terrace to the Mall.
5. EAST APPROACH, UNION STATION, to be one-way in a southeasterly direction from Exchange Terrace to the Mall.
