Councilman Mancini,

The the undersigned
are requesting to have the
No Parking sign on Lucille
Street at the corner of
Shardlaw removed. It is
very inconvenient for the
Providence College students
not to be able to park there
and also very expensive due to
the tickets given out every day.
We don't feel a quarter of
the street should have
restricted parking when there
are others who have great

difficulty backing out of
their driveway when cars are
parked directly across the
street and we can't have
no parking signs.

We would appreciate
your attention given to
this matter at your
earliest convenience.

Thank you

We know that sign was
erected due to the complaint
of one person or Lucile St
who says its hard for his
wife to back out when
cars are there. But its
like that for all of us.
