STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2017

AN ACT

RELATING TO EDUCATION

Introduced By: Representatives O'Brien, Kazarian, Marshall, Bennett, and Solomon

Date Introduced: January 19, 2017

Referred To: House Health, Education & Welfare

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 16-22-4 of the General Laws in Chapter 16-22 entitled "Curriculum  
2 [See Title 16 Chapter 97 - The Rhode Island Board of Education Act]" is hereby amended to read  
3 as follows:

4 **16-22-4. Instruction in health and physical education.**

5 (a) All children in grades one through twelve (12) attending public schools, or any other  
6 schools managed and controlled by the state, shall receive in those schools instruction in health  
7 and physical education under rules and regulations the department of elementary and secondary  
8 education may prescribe or approve during periods which shall average at least twenty (20)  
9 minutes in each school day. No private school or private instruction shall be approved by any  
10 school committee for the purposes of chapter 19 of this title as substantially equivalent to that  
11 required by law of a child attending a public school in the same city and/or town unless  
12 instruction in health and physical education similar to that required in public schools shall be  
13 given. Commencing September 1, 2012, the required health education curriculum shall be based  
14 on the health education standards of the Rhode Island Health Education Framework: Health  
15 Literacy for All Students as promulgated by the Rhode Island department of education and  
16 consistent with the mandated health instructional outcomes therein. Commencing September 1,  
17 2012, the required physical education curriculum shall be based on the physical education  
18 standards of the Rhode Island Physical Education Framework: Supporting Physically Active  
19 Lifestyles through Quality Physical Education as promulgated by the Rhode Island department of

1 education and consistent with the instructional outcomes therein.

2 (b) The department of elementary and secondary education shall consider, in consultation  
3 with the state department of behavioral healthcare, developmental disabilities and hospitals, the  
4 incorporation of substance abuse prevention into the health education curriculum. For the purpose  
5 of this section, "substance abuse prevention" means the implementation of evidence-based, age-  
6 appropriate programs, practices, or curricula related to the use and abuse of alcohol, tobacco, and  
7 other drugs.

8 SECTION 2. This act shall take effect upon passage.
