Re: City Council Resolution No. 439

Dear Rose:

Please be advised that on August 18, 1986, this command received the captioned Resolution of the City Council which requested radar enforcement of the speed limit in the Fox Point area of the city.

Please be further advised that commencing on August 18th, members of this command initiated a concentrated enforcement effort in accordance with Resolution No. 439. To date, fifteen individuals have been cited for speeding violations in this area. Enclosed is a copy of a report compiled by Lt. William V. Devine, Director of the Traffic Bureau, relative to this Department's efforts in this regard which I believe will be found to be self-explanatory. As indicated within the Lieutenant's report, members of his command will continue to provide special attention to the enforcement of these traffic regulations until such time as the complaints regarding same are satisfactorily resolved.

I would appreciate it if you would see that the foregoing is relayed to the City Council. If additional information is required or if I may be of further assistance, please do not hesitate to contact me.

Sincerely,

*Anthony J. Mancuso*
