AN ACT in Amendment of Sections 46-14-1 and 46-14-4
of the General Laws, in Chapter 46-14 Entitled
"Contamination of Drinking Water", as Amended.

It is enacted by the General Assembly as follows:

Section 1. Sections 46-14-1 and 46-14-4 of the general laws in chapter 46-14 entitled "Contamination of drinking water" are hereby amended to read as follows:

"46-14-1. Pollution or misuse of drinking water sources prohibited.--No person shall throw or discharge, or suffer to be thrown or discharged, into any well, spring, brook, lake, pond, reservoir or stream used as a source of water supply for drinking purposes by any city, town, district, institution or company, or into any known tributary or feeder of any such well, spring, brook, lake, pond, reservoir or stream, any sewage, drainage, refuse or other noxious matter or thing tending to pollute or corrupt, or impairing or tending to corrupt the purity of the waters of any such well, spring, brook, lake, pond, reservoir or stream, or any known tributary or feeder thereof, or render the same injurious to health. Nor shall any person bathe, swim, wash any animal, clothing^{or} any other article in any of the above-mentioned waters; provided, however, that the provisions of this section shall not interfere with, nor prevent the enriching of land for agricultural purposes by the owner or occupant thereof, if no human excrement is used thereon. Any person violating any of the provisions of this section shall be punished for each offense by a fine of not exceeding fifty dollars (\$50.00), or by imprisonment for a term not to exceed thirty (30) days, or both.

***.

"46-14-4. Prosecution of violations--Liability for costs.--In addition to other police officers who may prosecute for criminal offenses, the director of health may prosecute

for all violations of this chapter and shall not be required to give surety for costs upon complaints made by him."

Sec. 2. This act shall take effect upon its passage and all acts and parts of acts inconsistent herewith are hereby repealed.
