Providence, Rhode Island

RE: Resolution No. 885
Dated - 12/14/75

Gentlemen:

The Traffic Engineering Department has received the above referenced resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the installation of a STOP sign along Fairmont Avenue at its' intersection with Mt. Pleasant Avenue.

Disposition: Traffic volumes and accident history for this intersection indicates that a STOP control is not warranted at the present time. In fact, the warrants for a YIELD control are not met according to our data.

Very truly yours,

A handwritten signature in cursive script, reading "Frank A. Tibaldi".

Frank A. Tibaldi
Traffic Engineer
