*Be it ordained by the City of Providence:*

*Whereas*, The City Council, pursuant to the General Laws of the State of Rhode Island, as amended, has the authority to exempt and/or stabilize property taxes for property owners if the granting of the exemption and/or stabilization meets certain conditions set forth in applicable provisions of the General Laws of the State of Rhode Island and the Code of Ordinances of the City of Providence; and

*Whereas*, 166 Valley Street LLC as the property owner of 166 Valley Street, Providence, Rhode Island, has made application under Section 21-170.1 of the Code of Ordinances of the City of Providence for tax stabilization and has satisfied each condition of Section 21-170.1 of the Code of Ordinances of the City of Providence in relation to its Rising Sun Mills Project; and

*Section 4. Transfer.* As long as Project Owner owns or operates the Project site, it will continue to make the Stabilized Tax Payment(s) as set forth in

Exhibit B during the term of this tax stabilization agreement. Project Owner, its successors and assigns, agrees that this project site will be subject to taxation, without regard to tax stabilization, as of the Termination Date and thereafter. Project Owner also agrees not to transfer the Project Site, or any portion thereof, to any tax-exempt entity or to allow any transfer by any subsequent transferee to any tax-exempt entity during the term of this agreement to stabilize taxes. Project Owner is also required as a condition precedent to this tax treaty to record notice in the Land Evidence Records of the City of Providence of the requirement that the subject property covered by this ordinance be transferred only to a tax paying entity as long as this agreement is in effect. In the event that the subject property covered by this ordinance is transferred to a tax-exempt entity, despite the prohibition against such transfer, whether by 166 Valley Street LLC or any subsequent transferee of such property, 166 Valley Street LLC will be responsible to make payments in lieu of taxes to the City of Providence equal to the amount of taxes as set forth in Exhibit B which would have been paid to the City of Providence if such prohibition against transfer to a tax-exempt entity had not been violated. In the event that Project Owner shall divide the Project Site or any portion thereof into condominiums, said condominiums shall no longer be covered under this ordinance and shall be subject to taxation without regard to any tax stabilization agreement. Notwithstanding anything to the contrary herein the provisions of this Section 4 shall continue to be given full force and effect until such time as the same shall be amended or terminated by majority vote of the City Council of Providence.

*Section 5. Payment of Taxes.* (a) Project Owner shall make stabilized tax payment(s) as prescribed in the attached schedule set forth in Exhibit B to the City in lieu of all other taxes on the Project Taxable Properties and the City agrees to accept the Stabilized Tax Payment in lieu of all other taxes on the Project Taxable Properties.

(b) Stabilized Tax Payments due to the City, pursuant to the terms of this agreement, may be made in either a lump sum during the first quarter of the applicable tax year or in equal quarterly installments. If quarterly payments are to be made,

they shall be due on the same dates that quarterly taxes are due for all other taxpayers in the City and similarly subject to interest and late fee penalties if not timely made.

(c) It is understood by the parties that the Stabilized Tax Payment(s) made hereunder are tax payments; and, the Project Owner shall be entitled to all the rights, privileges, and obligations of a taxpayer in the City.

(d) The liability for Stabilized Taxable Payments due and owing under this agreement shall constitute an obligation of Project Owner, and the City shall be granted by the Project Owner a lien on the Project Taxable Properties, which lien shall be of the same priority and entitle the City to the same foreclosure remedy as the lien and foreclosure remedy provided under applicable laws and ordinances with respect to real and personal property taxes, not subject to a tax treaty.

*Section 6. Satisfaction of Obligations.* The City agrees that so long as the Stabilized Tax Payment(s) are made by the Project Owner in accordance with the terms of this agreement, the City shall, during the term of this agreement, accept said payments in full satisfaction of the obligations of the Project Owner as to the payment of any and all taxes and property assessments of the City which would otherwise be levied upon or with respect to the Project Taxable Properties, including future customary repairs and customary renovations of Real Property Improvements and the Personal Property which may now exist or which may hereafter be placed or erected thereon or located thereat or used therein, but excluding materials renovations or improvements beyond that contemplated in the project.

*Section 7. Minority and Local Contractors.* It shall be the goal and the Project Owner shall use its best efforts to hire contractors and subcontractors and to purchase construction materials from entities which/who are situated in and/or are residents of the City of Providence. Further, the Project Owner shall use its best efforts to award 25% of the total dollar value of construction to Minority Business Enterprises (MBEs) and Women Business Enterprises (WBEs). These are enterprises with at least 51% of

business ownership by a minority (Black, Hispanic, American Indian, or of a group found to be economically or socially disadvantaged by the Small Business Administration) or a woman, as certified by state agency or by the Director of the Department of Planning and Development, City of Providence. The total fee and non-biddable General Conditions of the prime contractor will be deducted from the calculation. The Project Owner will work with the prime contractor to reduce the size of bid packages where possible so as to maximize accessibility of contract work to small contractors from the community.

It is the intent of the parties that the participation of each element of business enterprise not fall below twelve and half percent (12.5%).

*Section 8. Employment.* Project Owner will include in all subcontracts a community hiring program in which the employer commits to notify Project Owner of any job openings at Rising Sun Mills and to a willingness to interview candidates provided by Project Owner's Community Hiring staff. Project Owner has set a target minimum of thirty (30) community hires over the course of Project construction. In addition, Project Owner agrees to provide training and/or apprenticeships for residents hired on the Project. Such training and/or apprenticeship program shall be submitted in writing to the Director of the Department of Planning and Development, City of Providence, for his or her written approval, as a condition precedent to any tax stabilization as envisioned under this ordinance.

*Section 9. Support for Affordable Housing.* (a) Project Owner and all successors and assigns shall make a \$165,000.00 contribution to a trust to be created and administered by the Providence Redevelopment Authority to support affordable housing as follows:

(i) \$50,000.00 to be contributed on or before June 30, 2004,

(ii) \$10,000.00 to be contributed on each June 30, 2005, 2006 and 2007, or before,

(iii) \$13,000.00 to be contributed on or before June 30, 2008,

(iv) \$15,000.00 to be contributed on or before June 30, 2009,

(vi) \$17,000.00 to be contributed on or before June 30, 2010,

(vii) \$19,000.00 to be contributed on or before June 30, 2011, and

(viii) \$21,000.00 to be contributed on or before June 30, 2013.

The contributions made by Project Owner shall be directed to housing specifically in the Olneyville/Valley section of the City of Providence.

(b) Project Owner shall provide \$300,000.00 for the pre-development and/or land acquisition costs for affordable housing (meaning housing for person and/or families who/which earn sixty (60%) percent lower of the median family income for the Providence Metropolitan Statistical Area, with adjustments for family size, where costs for housing are thirty percent (30%) of income, either by itself or in concert with another or others, with a goal of thirty (30) units to be created in the Olneyville Neighborhood. If in concert with another or others, said monies shall be considered a loan to the project(s) to be repaid, together with reasonable interest, upon the sale of the units or the permanent financing of same.

*Section 10. Purpose.* The City of Providence has entered into this tax treaty to renovate mill buildings and to provide residential, retail and commercial units in the City of Providence and to increase its tax base as a result of such renovation. This treaty shall be in effect during its term as long as the property is utilized primarily for the Project and failure to use the Project site primarily for such purposes would render the treaty null and void. The parties do not intend that this agreement would extend to any building or buildings used as a "dormitory" or "apartment dormitory". The use of any building or portion of a building for "dormitory" or "apartment dormitory" purposes would render the treaty null and void. The treaty being rendered null and void for any reason would require the Project Owner to pay all taxes and fees as due and owing as if no treaty had been entered.

*Section 11. Basis of Calculation.* The schedule listed in Exhibit B is based, in part, upon information provided to the tax assessor of the City of Providence by Project Owner, including, but not limited to, estimated construction costs. In the event any of this information is inaccurate or proves to be erroneous, this treaty shall be modified to reflect the accurate information. This tax treaty is conditioned upon commencement of construction by December 31, 2005. Failure to begin construction by December 31, 2005 renders the treaty null and void and shall subject the Project Owner liable for the difference of the taxes due under Exhibit B and the taxes that would have been payable but for the tax treaty, if no treaty had been entered, all in accordance with Section 170.1 of the code of Ordinances of the City of Providence.

*Section 12. Back Taxes.* This treaty is conditioned upon Project Owner at all times not owing any back taxes to the City of Providence and remaining current on all payments due under this tax treaty. Failure to make timely payments may render this treaty null and void at the sole discretion of the City Council.

*Section 13. Reporting and Monitoring.* Project Owner shall, not less than sixty (60) days after the end of each fiscal year of the Project Owner, submit to the Director of the Department of Planning and Development of the City of Providence, a report which will provide evidence of compliance with sections 7, 8 and 9 hereof on forms provided by said director for said purpose. The Director may require additional information to demonstrate compliance.

*Section 14. Penalties.* In the event that Project Owner does not comply with any of its provisions, upon the written declaration of non-compliance from the Director of the Department of Planning and Development, City of Providence, this tax stabilization agreement shall be immediately rendered null and void and the full tax which would have otherwise have become due and payable, plus interest and penalties as provided by law, shall become immediately due and payable.

*Section 15. Expiration Dates.* That in accordance with the laws of the State of Rhode Island and

the Code of Ordinances of the City of Providence, the City Council hereby approved the Project Owner's application for tax stabilization as set forth as Exhibit A and authorizes said tax stabilization as provided in this Ordinance in accordance with it and with the schedule of payments set forth in Exhibit B.

*Section 16. Applicable Law.* This agreement shall be construed under the laws of the State of Rhode Island.
