A N A C T

AUTHORIZING THE CITY OF PROVIDENCE TO ISSUE BONDS IN THE SUM OF SEVEN MILLION FIVE HUNDRED THOUSAND (\$7,500,000) DOLLARS FOR SCHOOL PURPOSES.

It is enacted by the General Assembly as follows:

SECTION 1. The city of Providence is hereby authorized and empowered in addition to and not in substitution for authority previously granted, to issue, in addition to the bonds heretofore issued and now outstanding, under its corporate name and seal, serial bonds in any form which the city council of said city has heretofore approved or may approve, in an amount not exceeding seven million five hundred thousand (\$7,500,000) dollars. Said bonds shall be of any denomination not exceeding twenty thousand (\$20,000) dollars each, the principal thereof and the interest thereon shall be payable in any coin or currency of the United States of America, which at the time of payment is legal tender for public and private debts, and the debts incurred by said bonds shall be obligatory on said city in the same manner and to the same extent as other debts lawfully contracted by said city. The dates of maturity of said bonds shall, in no case, be more than twenty-five (25) years after date of issue; provided, however, that the first installment of the principal of the bonds issued under the provisions of this act shall mature on such date as said city council shall determine, but not later than five (5) years after the date of issuance.

Sec. 2. Said bonds shall be signed by the city treasurer, and counter-

signed by the mayor of the city of Providence and shall be issued and sold at such times and in such amount as the city council of said city shall determine; provided, however, that the premiums, if any, arising from the sale of said bonds shall be applied to the payment of the principal of said bonds in the order of their maturity. The proceeds arising from the sale of the bonds authorized by this act shall be delivered to the city treasurer, and such proceeds, except as hereinbefore provided in respect to the premiums arising from the sale thereof, shall be expended for the purchase of land for public school purposes and/or the construction, furnishing and equipping of public school buildings in said city. No purchaser of any of said bonds, however, shall be in any way responsible for the proper application of the proceeds derived from the sale thereof. The countersignature of the mayor may be by facsimile signature.

Sec. 3. The city of Providence shall annually appropriate a sum sufficient to pay the interest upon the bonds issued and outstanding under the authority of this act, and also to pay the principal of the bonds maturing in any such year, until said bonds are paid in full. All obligations of said city which are incurred under authority of this act shall be excepted from the operation of section 45-12-2 of the general laws of 1956.

Sec. 4. This act shall take effect upon its passage and shall be submitted to the qualified voters of the city of Providence at the next general or special election in said city, and said bonds shall not be issued unless a majority of the voters of said city voting thereon shall approve this legislative action.

--- "45-32-48 EARLY LAND ACQUISITION.--- Notwithstanding any provisions of Chapters 45-31 to 45-33 both inclusive, of the General Laws any redevelopment agency functioning pursuant to Section 45-31-10 or Section 45-31-17 of the General Laws, in connection with its undertaking or carrying out a redevelopment project or formulating a redevelopment plan is authorized (1) to acquire real property in any area designated a redevelopment area pursuant to the provisions of Section 45-32-4 of the General Laws, demolish or remove the structures on the property, provide for relocation of occupants, including the payment of such sums for relocation expenses to the occupants of the property as are permitted by the Federal government (notwithstanding the limitation in amount imposed by Section 2 of Chapter 9 of the Public Laws of 1961) and to clear and improve the property, regardless of the stage of development of the redevelopment project or plan or any modification of the plan for such area or any portions thereof whether it be before or after the approval of such plan or its modification by the legislative body, and (2) to dispose of the property acquired under this section without regard to the provisions of Chapter 45-31 to
