Re: Waiving of Liens - 85 Hudson Street

I have reviewed the file for 85 Hudson Street with regards to the proposed resolution by the City Council to waive outstanding liens on the property.

It is my understanding that this property will be purchased by the abutting neighbor. I am very familiar with this neighbor, since he was put through considerable worry and grief over the vacant property on this lot for almost five years.

This Department has no objection to the release of the liens. However, I would recommend that some stipulation be made that the property be improved with landscaping and fencing so as not to continue to be a detriment to the neighborhood.
