Dear Ms. Mendonca:

Pursuant to resolution of the City Council #613, requesting the City Forester to cause the removal of a dead tree at 245 Cole Avenue, I submit the following:

A field inspection revealed the absence of any dead trees in front of 245 Cole Avenue. However, there is a dead tree located against a garage at this location which is on private property and outside of city jurisdiction. I have tried on numerous occasions without success to contact the property owner about the trees in question. Please inform the council person who presented this resolution on behalf of the constituent at 245 Cole Avenue that there is a need to contact me personally to clarify this entire matter.

Sincerely yours,
