## MEMORANDUM

**TO:** Councilman Terrence M. Hassett  
Chairman, Public Works Committee

**FROM:** Irene J. Testa *Irene J. Testa*

**DATE:** 10/16/03

**RE:** PENDING MATTER

---

**REQUEST:** That the Traffic Engineer cause Hanover Street be designated as a one-way street from Dexter Street to Cranston Street.

**DISPOSITION:** GRANTED.

**From:** Irene Testa  
**Sent:** Wednesday, September 10, 2003 3:27 PM  
**To:** Brenda Cooley  
**Subject:** Hanover Street

I have completed my study of Hanover Street for a one way traffic pattern.

I am recommending that Hanover Street be established as a one way street in an easterly direction from Bucklin Street to

Elmwood Avenue. The next street, Woodman Street, is one way in a westerly direction. In addition, with parking presently permitted on the south side of the street, residents are presently traveling in that direction to park on the street.
