

RESOLUTION OF THE CITY COUNCIL

No. 473

Approved September 21, 1973

WHEREAS, Vincent DiMase, Director of Department of Building Inspection, and a graduate of Brown University, with a degree in Civil Engineering, has an International, National, and Statewide reputation as one of the most competent men in his profession, and has been elected head of the Rhode Island Building Inspection Board, and

WHEREAS, Vincent DiMase has won honors and recognition for his work, but put in hundreds of hours and efforts which have gone unrecognized, and

WHEREAS, he has been the object of recent unfair and unfounded criticism, and

WHEREAS, in light of the proven abilities, competence, and experience of this man, the City Council wishes to bring him to the attention of His Honor the Mayor, not only for a salary scale commensurate with his unusual background, experience, and ability, but also in grateful acknowledgment for all his work and service above and beyond the call of duty,

NOW, THEREFORE, BE IT RESOLVED, that His Honor the Mayor consider the above facts and utilize any reasonable recommendation that Vincent DiMase, Director of the Department of Building Inspection, be compensated accordingly.
