Providence, Rhode Island

Dear Vin:

As you know, the Providence City Council must consent to the acquisition by the Providence Redevelopment Agency of any property in which it has an interest. In the first two years of the Neighborhood Development Program in the West Broadway Area many such properties were approved by the City Council for acquisition.

The City of Providence, through tax sales, now has interest in additional properties acquired or to be acquired by the Providence Redevelopment Agency. Due to these changes, the attached resolution must receive passage by the Providence City Council.

Very truly yours,
