SUBJECT: Referral No. 1269 - ZONING CHANGE ON ADMIRAL STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, May 8, 1962.

This referral is a request for a zoning change from a C-1 Limited Commercial Zone to a C-2 General Commercial Zone of Lots 361 and 479 on Assessor's Plat 76. The area contains 15,000 square feet of land.

An inspection and photographic survey determined the property to be a vacant lot.

Reference is made to the following referrals: No. 397, from the Committee on Ordinances, dated April 23, 1952 at which time the petitioner requested a change from an R-3 Zone to a C-1 Zone, denial was recommended on the grounds that a MASTER PLAN FOR THOROUGHFARES, then in effect, included this area for the extension of Silver Spring Street, the petition was withdrawn; No. 929, from the Zoning Board of Review, dated May 15, 1956 at which time the petitioner requested permission to erect a building to be used for a clothing pickup station for a cleaning establishment. Denial was recommended because this would create a commercial use in a residential zone, the petition was granted but the building never erected; No. 1157, from the Committee on Ordinances, dated July 12, 1960 at which time the petitioner requested that Lots 361 and 479 be changed from R-3 Residential to C-1 Commercial. Denial was recommended on the grounds of the adverse effects created by such spot zoning, the petition was granted; No. 1255, from the Committee on Ordinances, dated February 28, 1962 at which time the petitioner requested a zoning change from C-1 to M-1 of Lots 361 and 479 on Assessor's Plat 76, denial was recommended because of the adverse effects that would be created by an industrial operation in a residential area, the petition was denied.

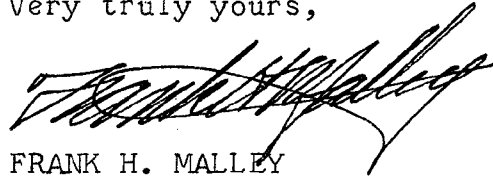

May 9, 1962

Granting of the present petition would open the area to uses that would seriously hinder surrounding property values and prove highly detrimental to the surrounding residences.

The Commission

VOTED: To recommend that this petition be denied.

Very truly yours,

The Hon. John F. Brock, Chairman
Committee on Ordinances
City Hall
Providence, Rhode Island

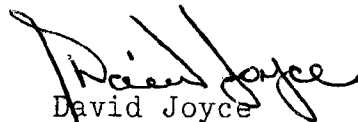

Dear Councilman Brock:

At the present time, the Committee on Ordinances has on its agenda a request from the David & Williams Co., 29-37 Ashburton St., Providence, R. I., Mr. Joseph Constantino, President, for a zoning change from a C-1 to a C-2 classification. located at 155-161 Admiral St., Providence, R. I. My purpose in writing this letter is to request due consideration of the Committee on Ordinances in its judgment on this matter. This action is being taken at the request of Mr. Louis Sandler, owner of Louis' Kosher Catering, Inc., 95 Orms St., Providence, R. I., whose business is being displaced as a result of the Promenade to Charles St. section of Interstate Route 95. Mr. Sandler contends that he has entered into an agreement to purchase land at 155-161 Admiral St., Providence, R. I. from Mr. Joseph Constantino, if the zoning request by the David & Williams Co. is granted. His chief interest lies in the fact that, according to Mr. Sandler, unless he is able to relocate to the above address on Admiral St. with the proper zoning, there is a possibility it may be necessary to relocate out of the city of Providence.

It should be stated that Mr. Sandler intends to build a new building approximately 10,000 square feet. He presently employs fifty individuals.

Whatever consideration this petition can be given will be greatly appreciated by the Family & Business Relocation Service.

Respectfully yours,

David Joyce
Administrator
