

RESOLUTION OF THE CITY COUNCIL

No. 636

Approved October 14, 1977

WHEREAS, it has been reported in the newspaper that the firm of Castellucci Galli Associated, Consulting Engineers, will be paid Five Per Cent (5%) of the total cost for the Consulting Services for the Rehabilitation of the Sewer Sludge Incinerator and Upgrading the Sewage Treatment Facility at Fields Point, Providence, and

WHEREAS, authority has been granted by the Board of Contract and Supply on September 12, 1977, continuing the services of Castellucci Galli Associates for the specified services, and

WHEREAS, it has been reported that said firm will receive Five Percent (5%) of the total cost for the two repair projects which have been predicted to amount to a total of \$3,000,000 to \$4,000,000, and

WHEREAS, the amount to be paid to the firm of Castellucci Galli Associates will be approximately \$150,000.00 in addition to the \$15,000.00 credit for work already performed,

NOW THEREFORE BE IT RESOLVED, that the Committee on Finance is authorized to undertake an investigation of the Consulting Contract for Phase II (Construction) Rehabilitation of the Sewer Sludge Incinerator and Upgrading of the Sewage Treatment Facility at Fields Point, by requesting the appearance before it, of the firm of Castellucci Galli Associates.
