Resolution Recognizing Juneteenth.

**WHEREAS**, June 19<sup>th</sup> is a symbolic date for our nation as on that date in 1865 Major General Gordon Granger arrived in Galveston, TX, and announced the end of the Civil War and the end of slavery; and

**WHEREAS**, Juneteenth began as a holiday in the State of Texas and is now celebrated in 46 States and the District of Columbia as a special day of observance in recognition of the emancipation of all slaves in the United States; and

**WHEREAS**, The United States Congress has recognized the cultural and historical significance of Juneteenth as part of the history and heritage of the United States; and

**WHEREAS**, Juneteenth serves as a reminder to all Americans about the horrors of slavery, celebrates the emancipation of all slaves in the United States, and provides a forum for open and honest dialogue around what measures are still needed in order to ensure equality and opportunity for the African-American community.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council hereby recognizes and celebrates Juneteenth for its historical significance to the United States and in recognition of the contributions that former slaves and their descendants have made throughout the history of our nation.

WHEREAS, The Providence City Council affirms the right of all residents to live and work in a safe and inclusive community free from discrimination; and

WHEREAS, Discrimination, bullying, violence, and a lack of acceptance continues to contribute to higher rates of school drop outs, youth homelessness, and ongoing mental health challenges for LGBTQIA youth; and

WHEREAS, Adult members of the LGBTQIA community continue to face discrimination, inequity in opportunity, and violence, simply for expressing their full humanity, and this is especially true for trans women and trans women of color; and

Resolution Requesting the immediate reopening of the Kennedy Plaza Public Restrooms.

**WHEREAS**, State and local governments have begun lifting COVID restrictions to get back to a pre-pandemic status as a result of the growing number of people getting vaccinated; and

**WHEREAS**, Public health and medical organizations have expressed their concerns around the presence of human waste in the area around Kennedy Plaza and as a result, Governor McKee and the general public have called upon the Rhode Island Public Transit Authority (RIPTA) to reopen the Kennedy Plaza public restrooms; and

**WHEREAS**, Despite the increasing demand for access to basic sanitation from elected officials and the general public, RIPTA has refused to reopen the public restrooms at Kennedy Plaza without providing a satisfactory explanation for basis of their decision; and

**WHEREAS**, With the return to normalcy and the resulting expected increase in usage of public transportation and pedestrian movements around Kennedy Plaza, reopening the public restrooms is becoming a pressing public safety concern as without the restrooms there will be a significant risk of unsanitary conditions in the Plaza.

**NOW, THEREFORE, BE IT RESOLVED**, That the City Council of the City of Providence hereby calls upon RIPTA to immediately reopen the Kennedy Plaza public restrooms in the interests of public health and safety.

**BE IT FURTHER RESOLVED**, That upon passage, copies of this resolution be sent to the honorable Governor of the State of Rhode Island, the Mayor of Providence, and the Chief Executive Officer of the Rhode Island Public Transit Authority.

Resolution Regarding the Homeless Crisis.

**WHEREAS**, The Providence City Council has long recognized the growing issues of affordable housing in our communities which is why, in the early spring of this year, the Council capitalized the Affordable Housing Trust Fund with over \$20million to help finance, construct, and maintain affordable housing units throughout the City; and

**WHEREAS**, Homelessness is a direct result of a lack of affordable housing options for the City's residents and is an issue that the Council is fully committed to addressing through its continued efforts to expand opportunities for affordable housing in our communities; and

**WHEREAS**, While affordable housing represents the long-term solution to the homeless crisis, the short term needs of the City's homeless residents requires a rapid expansion in temporary shelter space so that there are places where people can go to have safe and dignified living conditions until they can find permanent affordable housing; and

**WHEREAS**, Without an immediate commitment from State and local leaders to provide expanded safe shelter space, the homeless crisis currently facing our city and our state will continue to grow.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council hereby calls upon the Mayor of Providence to work with State and local partners to find the necessary funding to rapidly expand the amount of temporary shelter space and affordable housing opportunities that are available to individuals suffering from homelessness in the City.

**BE IT FURTHER RESOLVED**, That the City Council hereby reaffirms its commitment to addressing the affordable housing crisis in the City which has exacerbated the evils of homelessness in our communities.

**BE IT FURTHER RESOLVED**, That, upon passage, copies of this resolution be sent to the Honorable Governor of the State of Rhode Island, the Mayor of Providence, the members of the Providence Delegation, the Senate President and the Speaker of the House.

- WHEREAS,** It is an unfair burden on small businesses operating within the hospitality industry to acquire an amendment to a state law in order to be able to serve alcohol in a manner identical to their competition in the same immediate area; and
- WHEREAS,** Each Rhode Island municipality reviews and approves liquor licenses on a regular, year-round basis; and
- WHEREAS,** Rhode Island State Senators and Representatives have critical, complicated, and far ranging duties and responsibilities that impact the entire state with limited time to review and debate and legislate; and

Resolution Regarding Traffic Calming Measures.

**WHEREAS**, The City of Providence has installed a number of various speed bumps, speed control measures and signage throughout the city over the past few months; and

**WHEREAS**, The residents of the City of Providence have expressed their concern regarding the recently installed speed control measures that reportedly have not been adequately adapted to the traffic needs of the city's neighborhoods; and

**WHEREAS**, When installed properly, speed control measures and signage are critically important tools for making our city's streets safe for residents and visitors alike, which is why it is imperative that the design and implementation of such measures are properly vetted.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council does hereby request that the Commissioner of Public Safety and the Traffic Engineer provide a comprehensive analysis and review of all speed control measures and signage installed in the last 12 months in the city.

**BE IT FURTHER RESOLVED**, That said comprehensive analysis shall include the cataloging and mapping of all speed control measures throughout the city, the installation date for each measure, a description of the type of measure used, the cost of installation for each measure, and both pre and post-installation data regarding the impacts each speed control measure has on traffic.
