City Hall
Providence, Rhode Island 02903

Dear Mayor Doorley:

The Civic Center Authority is cognizant of the statutory requirement that a financial report be submitted to you and members of the City Council at the close of the Authority's fiscal year.

For some weeks we have been awaiting completion of the report for the year ended June 30, 1973, which is being prepared by the accounting firm of Peat, Marwick and Mitchell. While the accountants have been working vigorously to provide the necessary financial data which is necessary for the Authority to make its report, for a variety of reasons their work has not been completed and we are not in a position to render a report until this has been done.

We will hope to have the appropriate report within a few weeks but, in any event, we will keep you informed of the progress of Peat, Marwick and Mitchell.

Very truly yours,

John J. Cummings, Jr.
Chairman
