Re: Proposed street name change from Matthews Street to Times² Way.

Dear Ms. Stetson

The Providence Fire Department's only objection to the change of name that is being proposed is in the form of the change. If they were to change the name to "Times *Squared* Way", it would be acceptable, as our computer system would accept the name. But when written with the "squared" being a superscript "2", as in "Times²" we have no way of entering this combination into our computer system which is used to dispatch emergency vehicles.

Sincerely,

Captain Anthony DiGiulio, ADSFM
Providence Fire Prevention
