Dear Larry:

In November, I introduced a resolution regarding the closing of River Road. The resolution was referred to the Public Works Committee. After discussion with a number of people, the following amended resolution appears to be satisfactory to all concerned. I have underlined the changes from the initial resolution.

"RESOLVED, That the Traffic Engineer is hereby requested, to close River Road from Waterman Street to the intersection of Loring Avenue and Gulf Avenue to all vehicular traffic from 9:00 p.m. to 5:00 a.m. every day, provided that the Traffic Engineer shall be authorized to issue permits for travel on River Road during 9:00 p.m. and 5:00 a.m. to such persons and on such terms and conditions as he may deem appropriate."

I would appreciate it if the Public Works Committee would see fit to recommend passage of the resolution amended as set forth above.

With best regards.

Sincerely,

Dear Larry:

I am writing to merely remind you of the resolution which I introduced some months ago requesting the traffic engineer to close River Road in the evening. I would appreciate it if the Public Works Committee would report the resolution for passage. It merely requests Frank Tibaldi to carry this out. The Police Department supports the resolution.

The hours during which River Road should be closed should be amended to read from 9:00 o'clock p.m. to 5:00 o'clock a.m. In addition, the entire neighborhood is anxious to have the resolution passed.

Many thanks for your help.

With best regards.

Sincerely,

MF:bms

Re: Resolution Closing River Road

Dear Larry:

I would appreciate it if the Committee on Public Works would vote the above-referenced resolution out of committee for approval by the Council. You will note that the resolution merely requests Frank Tibaldi to close the road during limited hours. There is very strong feeling in the neighborhood in support of trying this out to see if it alleviates vandalism, crime and other negative activities taking place in and around River Road at night.

I would appreciate the committee's positive consideration of this request.

Yours very truly,

MF:bms
